The Conference Championship.

What team will win the Kansas conference football championship. This question has all the dope artists figuring past scores and future possibilities. At the present time Washburn is the only undefeated team in the conference and looks like the best bet from the dope, which is always uncertain and more than ever this season. The Ichabods have not yet developed a real offense in spite of the efforts of Coach Ream and Assistant Coach Whitcomb. The Blue team goes great out in the middle of the field but when they get close something cracks and the other team gets the ball and kicks it out of danger. Washburn hasn't a man on the squad that is a finished kicker and the forward passing has been poor.

The Tigers have no chance to win the Missouri vailey conference title now and it looks as the Kansas and Nokahoma will fight it out for the coveted honor when they meet at Norman on Saturday, November 6.

K. U. BEATS K. S. A. C.

St. Mary's, the little Catholic school coached by Steve O'Rourke, one of the brainlest coaches in the game, has developed a team that has only lost one game and that on a muddy field when little blue and white backs couldn't get started. Lane, their wonderful half, is practically the whole team and without this brilliant player the Saints wouldn't have a look in for the bunting. He is a fine defensive player, carries the hall well, shifting from side to side as he runs down thru a broken field. His punting and drop kicking ranks with the best in the state and one thing more, this fine athlete is not a bit jealous of his team, mates but runs beautiful interference for the other members of the Saints' backfield.

Lost Only One Game.

The Collège of Emporia have lost one game mostly on account of overconfidence, but they are underway now and hitting on all six cylinders. Gwin Henry can well be proud of the team he is coaching this season. These red and white warriors know their plays like a book and shift like lighting, never offside and always seven men on the line. Of course most of the C. of E. boys have played together for two or three years but even then the one answer is Gwin Henry, the foxlest coach in the Kansas conference. There are a number of men on this team that will bear watching for all-state honors. Jacquith at quarter is a peach and runs the team like the wind. Grant in the backfield is another good bet. Captain Harr at end makes a wonderful leader and drops back of the line and carries the ball himself whenever the others slow up. Stevenson at tackle is a tower of strength as is Widick at center. Wait until you see these boys shoot the forward pass down the field, you'll think Bennie Owen has come to town with his Oklahoma university team. Look out for Gwin Henry and the 1920 College of Emporia football team.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whisky, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all drugglets invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.

Missouri Is Defeated.

How did Missouri lose to Oklahoma many people have asked. The answer is simple, reading between the lines one can easily figure it out. The following regular linemen were out of the game: Andrews, Blumer, Springate and Travis, all-M men from last year's crack team were unable to play because of injuries. Fullbright tried to get in the game but only stayed for get in the game but only stayed for kicked almost straight into the air and it was K. U.'s ball on the Aggies 25-yard line, K. U. massed and fought hard to put a touchdown across, but the Aggie line stood fast, and took the ball from K. U. on downs, with the gains of the K. U. team absolutely nil. Huston kicked out of danger, and the greater part of the last period was played in the Jayhawkers territory.

K. U. played easily during the last part of the game, except for the one desperate effort to put the ball over in a third touchdown. Their defensive work was good, but not equal to the defense of the Aggies. Axline staged the only star play for the Aggies when he went around left end on a third-yard run which the Aggies could not follow up.
